WELS Reg.: T28423

PROGRESSIVE CARTRIDGE

HOW IT WORKS

To increase water flow and temperature by turning the handle clockwise. Cold water is accessible from 0 to 95°. From 95° onwards, hot water will be mixed in. At 140° rotation, the water has an equal hot/cold mix, and at 192°, the temperature reaches full hot. This operation system is both water and energy saving.

BASINS

WASH BASIN

Basin is one of the most effortless and effective ways to make your bathroom stands out. ECT offers many different shapes, colours and materials. If you're looking for a beautiful, luxurious surface for your bathroom basin, artificial stone is the way to go. This material can add elegance and sophistication to any bathroom, especially if you choose a bold patterned design. Both artificial stone and ceramic are durable materials, so they can also be practical.

COUNTERTOP ARTIFICIAL STONE

Size: 1700 or 1500mm, waste not included.

NEW

■ **BT 359R-M/359RS-M**
PIAZA-CNR Fluted bath back to the wall. Matt White Finish.
Size: 1700 or 1500mm, waste not included.

1. **Elegant Ribbed Exterior:** The textured, ribbed design adds a touch of sophistication, creating a luxurious centerpiece for any modern bathroom.
 2. **Minimalist Shape:** The clean, oval shape of the bathtub fits seamlessly with contemporary interiors, offering a timeless look that enhances the space.
 3. **Freestanding Design:** The freestanding structure allows for flexible placement, making it a perfect choice for a variety of bathroom
 4. **Versatile Color and Finish:** The neutral white tone complements a range of decor styles, while the ribbed finish adds subtle texture and interest.
 5. **Space-Saving Design:** Despite its spacious interior, the compact footprint makes it ideal for smaller bathrooms without compromising comfort.
- This bathtub combines elegance and comfort, making it an attractive option for anyone looking to upgrade their bathroom with a modern, statement-making piece.

TOILET SUITE

TOILET SUITES

EASIER TO CLEAN

ECT is home to the finest range of crafted designer toilets. Our modern range of toilet suites include close coupled toilets, wall faced toilets, and in-wall toilets. All toilet suites have quick-release soft closing seats. Many of ECT toilet suites feature with rimless flush pan design. It makes your toilet more hygienic and easier to clean. All toilets comply with the Water Efficiency Labelling Scheme (WELS) and Australian manufacturing standards under a watermark licence.

Tornado-X

FLUSH TECHNOLOGY

CLEANER:

TORNADO-X® technology's optimized water pressure and smooth bowl curves flush away bacteria without unhygienic splashing. The bowls are easy to clean as there's no overhanging bottom to collect dirty deposits.

SMARTER:

Technology with elegant, unobtrusive design and tangible benefits functions perfectly, creating a smarter design product.

QUIETER:

Lab tests on identical toilet bowls, one with TORNADO-X® and one with a traditional flush, demonstrated a 20% noise reduction.

1. Modern Minimalist Design: The sleek, wall-mounted design of this vanity offers a minimalist look that seamlessly blends into any modern bathroom decor.
2. Elegant Wood Finish: The natural wood finish adds warmth to the bathroom space, creating a perfect balance between style and functionality.
3. Compact Yet Spacious Storage: With a compact design, this vanity provides ample storage space to keep your bathroom essentials neatly organized.
4. Integrated Mirror Cabinet: The large, oval mirror doubles as a cabinet, providing hidden storage for personal items while adding a stylish focal point to the bathroom.
5. Contemporary Round Sink: The round vessel sink adds a modern touch, creating a spa-like atmosphere in your bathroom.

This vanity combines aesthetic appeal with practical functionality, making it an ideal choice for modern, stylish bathrooms.

LAUNDRY

DURABLE & STYLISH

Laundry sinks are essential for every household now. We offer both classic insert laundry tubs and free-standing laundry cabinets. The sinks are made from 304-grade stainless steel. The cabinet is made from metal with white powder coated. All sinks are supplied with a bypass kit. At ECT, you will find a durable and stylish sink to complement your laundry space.
